

We fully understand that a lot of people will not want to go out to eat or drink in a pub or restaurant at this difficult time. For this reason we are introducing our first takeaway menu to offer customers the opportunity to still enjoy honest homemade food whilst avoiding social interaction as much as possible. This is a starting point to see what works (or doesn't) and if successful will hopefully evolve with new options.

If you would like to order from our takeaway menu, please call **01691 672958** at least half an hour before you would like to collect and we will agree a time with you when your food will be ready. On arriving you can pay for your food with cash or card (cash would be lovely if possible!). For this weekend (19th - 22nd March) we will be offering the takeaway service between 12 and 1.30pm (last order) on Friday, Saturday and Sunday and between 6.15 and 8.30pm (last order) on Thursday, Friday and Saturday evening. We will look at hours for next week based on what works this weekend.

For those self isolating who would like a takeaway, please call us as above to place your order and pay for it with a credit or debit card. Once again we will agree a time and your food will be left in a plastic box on the table by the steps at the very rear of the building, with your card receipt. Please take your food and leave the box!

We welcome your thoughts and feedback on this initiative. Should this trial be successful we hope to offer other items such as stews and pies but currently need to carefully manage our stock.

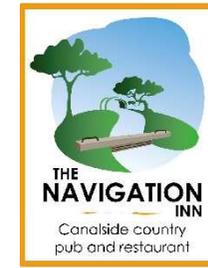

If you would like a pint or two of draft bitter or lager we have a (limited) number of 2 pint reusable cartons which we can fill for you (cartons 40p each) or you are welcome to bring your own container for us to fill. We are offering 50p per pint off on takeout beer.

We wish you all good health and hope and trust that we will all resume as normal a life as possible in the near future.
